7 Ways To Boost Employee Engagement

7 Ways To Boost Employee Engagement in Health & Safety

01

Create **open lines of communication** to show that employees' concerns matter

02

Conduct **regular inspections** to enhance visibility around your employees' biggest safety worries

03

Develop a **robust reporting system** to act on employee cares and concerns

04

Provide **in-the-flow training** for employees to learn new skills

05

Set **clear KPIs** to motivate employees to commit to policies

06

Reward **good behavior** to turn it into a habit

07

Review **safety procedures** and documents to ensure dangers are minimized
